Description

I hand make quality charity boxes of fine exotic woods from around the world. These handmade quality boxes are truly one of a kind, with each letter individually crafted. Unlike an mass-produced store-bought item, my Handcrafted boxes make unique unusual gifts. I created The Gift box, which includes my Handcrafted charity box, a box of chocolate, and a small bottle of whiskey all in a beautiful gift box, great as a Gift for your Balai Batim, and makes a fabulous Meshaloach Manot for Purim!
